What does this passage teach us about the nature of Jesus' ministry and the Kingdom of God?

Who do you relate with most in the story? (Levi: inviting the "undesirables" to a meal, the Pharisees: looking down on the "undesirables", the disciples: not sure what to do)

Do you have people in your life who are in a dark place? Who are they? How can you come alongside them and be a light to them?

Action Step: As a life group, pray over the people you listed above.
